

Suggested Media Page Work+Life Topics

No longer just a human resources or working woman's issue, today work+life fit is an important strategy affecting all aspects of the business and individual's life cycle. Cali can address the work+life topic in a variety of contexts from either the corporate or individual perspective, as well as comment on new research. Topics include:

- Workplace Flexibility
- Corporate cultures
- Demographic Shifts/Trends
- Leadership/Management Trends
- Employee Recruitment/Retention
- Men's Issues
- Women's Issues
- Parenting
- Aging
- Career Management
- Personal Finance
- Retirement
- Time Management
- Health/Stress
- Diversity
- Myths/Realities
- Globalization
- Technology
